TIA's Internet Package

Do you want to backup your work and access it from anywhere?

Do you want to have your personal homepage?

If the reply is **yes**, then TIA has something to offer to its members, i.e., TIA's Internet Package. The details are as follows:

TIA's Internet Pack includes

- Free sub-domain on tsumra.org , e.g., MyName.tsumra.org
- Free UNLIMITED disk space with support for all kind of scripting languages, e.g., ASP/ASP.NET/ PHP
- Free UNLIMITED Bandwidth
- Free 6 GB Email account with Google Interface @tsumra.org.
- Free FTP account
- Server supports for most of the famous databases, e.g., MSQL, MYSQL, and ACCESS, etc.
- We can also provide hosting for your own domain, like www.MyName.com

Terms and Conditions of use

1. The authority has all the powers to stop the service upon discovering of any illegal use (harmful stuff) of the disk space.
2. The authority has all the powers to reject/remove/stop the use of webhosting service for any adult contents or anti-religious contents.
3. The service is offered for FREE to TIA Voting members.
4. The authority is not responsible on any of the contents on the WebPages and any ideas expressed will represent the owner's point of view only.
5. TIA will not offer any technical contribution for web site/design problems, etc, will be the sole responsibility of the account owner.
6. TIA will be support for technical problems raised from the service provider and it will respond to any problem regarding server issues
7. TIA strictly prohibits Scripts and Applications such as IRC, Proxy, SSH, Telnet, or any other script which may overwhelm server resources.
8. TIA only offers FTP accounts to its users to upload their files, the other settings will be taken care of by the TIA's IT team.
9. TIA has the authority of cancelling the service at any time without informing the account owner.
